BLOOD DONATION

An aerial photograph of the London skyline at dusk. The London Eye is a prominent feature in the center, with its white structure and passenger capsules clearly visible. To the left, the Gherkin (30 St Mary Axe) stands out with its distinctive conical shape. The Shard is visible in the background on the right. The city is illuminated by the warm glow of the setting sun, and the sky is a mix of blue and orange. The text is overlaid on the upper half of the image.
